Festivals are a great way to experience a destination in a unique and different way. And with several hundred festivals all over the world every month - there are plenty to choose from!

With the theme 'World Festivals' a Special Assembly was held at ITL Public School on Friday, 20th April 2018. After the thought and news update, the program had an enchanting and melodious French song and an interesting skit showcasing the different harvest festivals of India. Students also shared some interesting information about few countries like Sri Lanka, France, China and Bhutan. The medley which had beautiful dance forms like Chinese, Spanish, American and Russian made the event more interesting and colourful. The students were dressed up in the attires and getup of different countries. The program was graced by the Principal Ms. Sudha Acharya.

Students were overwhelmed and enjoyed each and every moment of the event.
