

Name of the Workshop - Converting a Normal General Knowledge Classroom into a 21st Century Techno – Friendly General Awareness Classroom

Date : 20 December 2018

Venue : N. K Bagrodia Public School, Dwarka

Conducted By : Ms. Vanadana Varanjani

Organized By : The Ultimate Knowledge

Attended By : Ms. Rekha Rishi, Ms. Anjali Singh, Ms. Nivedita Jha

This enriching and informative workshop aimed at converting the general awareness to 21 Century Techno Friendly Awareness Classroom. The objective of the workshop was to appreciate and nurture the curiosity of the students.

The resource person Ms. Vandana Varanjani enlightened everyone about the online portal which is concise, age appropriate and very authentic. It also promotes bagless and digital learning. The content of the portal will help the students to stay updated. General information which is one of the neglected area, will become more reachable to the students with the help of this portal. The web site is a accessible to children for enhancing their knowledge, vocabulary, comprehension and reading skills.
