Spic Macay had organised its annual Virasat meeting on 16th July, 2016 at the Staff Quarters, Modern School, Barakhamba Road. The active participation was an indicator of the fact that Delhi and NCR schools, take up the cause of Spic Macay quite sincerely. Mr.Kiran, founder of the Spic Macay, with a team of student volunteers, conducted the event in a very humble and effective way.

All schools were given certain common instructions to take the baton of Spic Macay further by organising events and looking for sponsorships from corporates and spreading awareness amidst their neighbouring schools. The **'VIRASAT'** meeting was truly an enriching experience and all participants could feel connected and rooted to their heritage and culture.
