“Its different cultures that make, the world go around at the end of the day.”

‘Powers of Expression as an ISA initiative was organized by ITL Public School in association with British Council, with the objective to gain diverse linguistic approach towards language. On 24 July, 2018 students of Class VII were assigned with the activity of preparing a Wall Magazine on the significance and relevance of Language .The main aim of the activity was to help the students to underline the relevance of language in our lives and understand that enhancing language skills help to foster all round development.

The students of class VII also did a thorough research and prepared a beautiful wall magazine on the history-origin, scientific implications and relevance of the language of the partner school’s language.

The students were also able to:

- Learn about the origin of the language of the Partner school, i.e. English.
- Develop collaborative skills, research skills and how to present their presentations creatively and aesthetically.
- Learn to respect the other’s culture and pride in one’s own identity.
