

## **REPORT ON " A MELANGE OF FESTIVITIES"**

DATE : 18th April, 2018  
VENUE : ITL PUBLIC SCHOOL  
ORGANISED BY : ITL PUBLIC SCHOOL  
CONDUCTED BY : Class III

" A MELANGE OF FESTIVITIES" was commenced under The British Council International School Award scheme which is a great benchmark a school can accomplish with the main aim to enhance and envision the international understanding .It was planned to globally empower the students. And teaching them to appreciate and respect the global diversities. This initiative has been implanted by ITL Public School, Dwarka, keeping in mind the future upliftment of children with respect to international standards.

In order to acquaint the students with inter cultural collaboration and communication, an interesting "E-CARD making" activity was taken up for class III students on 18<sup>th</sup> April, 2018 at ITL Public School.

After undergoing two weeks of computer training, the students utilised their abilities and creatively made impressive E- Cards, exhibiting the festival scene of Eid al-Fitr.

This ISA activity helped in bringing out the creative and innovative ideas clubbed along with enhancing their ICT skills while designing E-Cards.

An after result of this event brought an adaptability of ICT skills, culture and festivals of Egypt as contrasting to that of India's. It helped students to recognize the oneness of principles underlying all festivities. It encouraged the global sense of belongingness and beliefs promising an exuberant united world.
