

Report on Folk Song Competition- Power of Expression

Date: 16 July 2018

Venue: ITL Public School

Organised by: ITL Public School

Conducted by: Class V-VI

“It’s different cultures that make, the world go around at the end of the day.”

With technology making the world ever-smaller, and with the ease of travel between countries, chances of learning other culture and tradition becomes utmost important. The students of class V-VI on 16 July 2018 presented a melodious folk song of Britain in the school assembly as a part of the ISA Activity in collaboration with the St James School in Britain. Likewise, the students in Britain prepared and presented an Indian folk song in their school. Students were dressed up in British attire and matched the intonation and accent of the British people. Both ITL Public School and St James School exchanged each other’s audio made in the presentation.

This platform gave students an ample opportunity to peep into the British culture and gain an enriching experience. They recognised that the patriotic feelings among the people are same across countries, only ways of expression differ. The students became familiar with the history, science and modern relevance of English language. They acquired competence in English language with correct pronunciation and inculcated moral values such as sense of identity, mutual respect on realising the significance of English as a rich language. They developed collaborative skills, research skills and aesthetics of creative presentation

The students witnessing the assembly also got a glimpse of the western culture and it would have an everlasting impression on their young minds. Cultural heritage of one can add another dimension to other’s life, increase tolerance level and sensitize people towards a global community and a well- rounded personality.

Students were dressed up in British attire and were looking great.

The platform gave students the ample opportunity to peep into the British culture
