

CULTURAL KALIEDOSCOPE- Scrap File

Activity name: Scrap File

Venue: Respective classrooms

Date: 3 May 2018

Organized by: ITL Public School

Attended by: VII

“Cultural Kaleidoscope” with the noble mission of cherishing and ever upholding the culture and tradition of the country, an ISA initiative undertaken in collaboration with the British Council of India was organized by ITL Public School, Sector-9, Dwarka. On the 3rd May 2018 students of class VII penned down ‘Narrative Saga’ - a beautiful scrap file work. Every file contained valuable information ranging from geographical location, customs and traditions, food habits and occupations. This research was based on the myriad cultures of countries like Japan, Spain, Latin America, France and India, thus zestfully upholding the principle of **Vasudev Kutumbkum** (the world is a family).

The activity enabled the students to recognize and recall the nuances of culture and tradition of Japan, Spain, Latin America, France and India. The activity enabled the students to acquire artistic skills, appreciate diversity across borders, and increase level of reasoning / inquisitiveness during extensive research work. This activity thus enabled children to showcase their creative potential. The presentation of details in the form of scrap file helped children to learn team work they were able to acquire adaptability and nurture relations towards varied cultures and traditions. Through this activity they were able to develop a positive attitude and create a world where there is less inequality and lesser differences among mankind. (Sustainable Development Goal). The activity helped in intermingling and adaptability of culture. Overall it was thoroughly enjoyed by the students, as they found it very informative.
